

Your feedback – tell us what you think

We're here to help and we value what you have to say about the quality of our service. If we've exceeded your expectations, or we haven't met them, we hope to hear from you straight away. Providing feedback will not affect your relationship with us or the services we pay for. Sharing your experience can help us fix problems and improve the services we provide.

Let's talk about it

We hope you feel comfortable talking to your coordinator or any other person you've been talking to at icare. If you're unhappy about something, or wish to make a complaint, please don't hesitate to let them know what they can do to help. They may be able to sort out your concerns immediately.

If you'd prefer to speak to someone else, you can also phone, fax, email or post us. Details are below.

What help can I get to make a complaint?

You're welcome to ask a family member, friend, representative or advocate to talk to us on your behalf.

You can also make a complaint in your preferred language. Let us know if you'd like to use an interpreter to speak to us, or if you'd like any documents translated. You can also call Associated Translators and Linguists on (02) 9231 3288.

When will you respond to my complaint?

We aim to get back to you within 2 business days of receiving your feedback. If we need more time to look into an issue you've raised, we'll let you know our plan and keep you updated.

You can also give anonymous feedback; however, we won't be able to tell you of the outcome or any action we have taken.

What is the difference between a complaint and a dispute?

A complaint can be made by anyone. Complaints can be about:

- any aspect of the **icare** Workers Care Program
- the level of service provided to you
- the services we pay for

A dispute can be lodged when you disagree with a decision we've made about your medical, hospital or rehabilitation treatment.

A dispute is resolved in a different way to a complaint. For more details, read our information sheet about disputes: *W11: Resolving disputes about medical, hospital and rehabilitation treatment*. This can be found on our website at www.workersinsurance.icare.nsw.gov.au Go to: Workers insurance claims > Workers care.

Who should I contact if my complaint is not resolved?

Our Assessment Review team can review your complaint if you're unhappy with the response you receive. You can ask your coordinator to refer you to an assessments officer; call our switchboard on 1300 738 586 and ask to be put through to an assessments officer or send an email to: feedback.workers-care@icare.nsw.gov.au

We aim to contact you within 2 business days to discuss your complaint and your desired outcome. We'll provide you with a written response within 20 business days. This response will explain the outcome and any actions we've taken. Also, we'll keep you updated on our progress if there are delays in receiving important information, or in responding to you.

If you feel the Assessment Review team hasn't sufficiently or fairly dealt with your complaint, you can ask for an internal review. To do this, contact our General Manager, Operations by email or post. Details are below.

- Email feedback.workers-care@icare.nsw.gov.au. In the subject line, write 'For the General Manager, Operations'.
